## *Welcome Coogs!*

Hey everyone! We hope y'all have had a great first month here at UH. This year, Psi Chi is very excited to be hosting both in-person and live-streamed events\*; from general meetings, to socials, to volunteer opportunities, and more! Be on the lookout for all the events we have this coming semester by following us on social media!

\*While we are hosting virtual events, it is important to know that not all events will be virtual because we are resuming fully in person. Virtual opportunities are only available for general meetings, academic events, and some volunteer opportunities.

## ***Our Society***

### **WHAT IS UH PSI CHI AND PSYCHOLOGY CLUB?**

Our mission at Psi Chi International Honor Society is to produce a well-educated, ethical, and socially responsible member committed to contributing to the science and profession of psychology and to society in general. Psi Chi is a member of the Association of College Honor Societies and is also affiliated with APA and APS. There are about 1,100 chapters across the world, and the central office is located in Chattanooga, Tennessee. The board of Directors is filled with psychologists who are also Psi Chi members and are elected by the chapters.

Our organizations are open to both graduate and undergraduate students, and you are allowed to be in both. The two overlap with each other and share the same meetings and events, but they hold different requirements.
